Z420

Z420

LaserPerformance's newly-designed collegiate z420 delivers increased performance, improved durability, safety and guaranteed value.

The z420 has been designed to insure the future success of collegiate sailing through the collaborative efforts of many college coaches as well as sailing industry designers, experts and racers.

The results are distinctly evident when you sail the z420. The team was able to **reduce the overall hull weight in comparison to the existing c420 scv** and still make the hull **40% stiffer**—so the levels of performance have completely jumped off the charts.

WHY CHOOSE THE Z420

Resale value: 50% money back guarantee if sold in first 7 years.

Innovation & design: The z420 looks as good as it sails.

Safety & reduced liability: Enclosed foredeck, lighter hull and other new features increase safety.

Sustainability: The z420 utilized the infused molding process that is more environmentally friendly.

Customization: Product and aesthetic customization available.

SPECS

LENGTH FT/M	13.90	4.24
BEAM FT/M	5.50	1.68
DRAFT FT/M	2.95	0.90
MAINSAIL AREA FT ² /M ²	79.65	7.40
JIB AREA FT ² /M ²	30.14	2.80
HULL WEIGHT LB/KG	215.00	97.50
CAPACITY	1-2 PEOPLE	
SKILL LEVEL	BEGINNER-ADVANCED	
RACE LEVEL	CLUB-NATIONAL	
OPTIMAL WEIGHT LB/KG	220/300	100/136
TRANSPORT	TRAILER /CARTOP	

“The performance difference is for real.”
Zachary Leonard, Yale University Director of Sailing
